

# WORKBOOK

<http://agb.gymnaslo.cz>

**Subject: Mathematics**

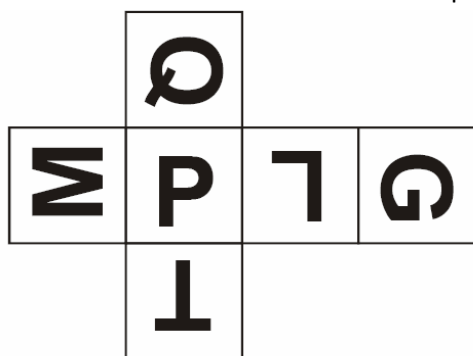

**Student:** .....

**School year:** ...../.....

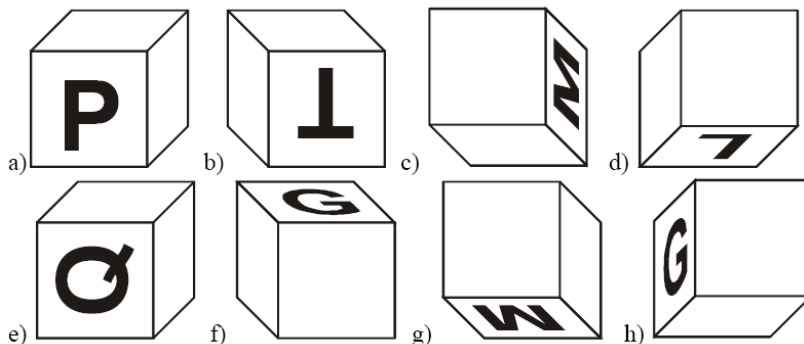

**Topic: Solid Geometry**

**Net of 3D objects**

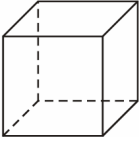

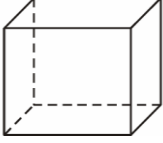

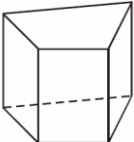

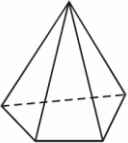

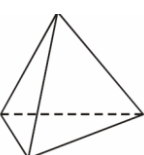

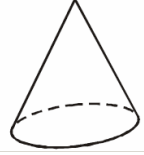

**Př. :** You can see the cube net. Fill the empty sides:

Doplň na jednotlivých obrázcích písmena na prázdné stěny tak, aby krychle měly zadanou síť.

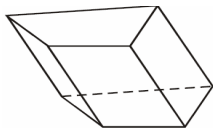

**Basic topics of solid geometry – fill the table**

cube		
Rectangular Cuboid		
Cuboid		
Pyramid		
Tetrahedron		Regular Tetrahedron
Cylinder		
cone		

Charakterize **prizm**

**Righ angle n-gonal prizm** base .....

other sides .....

<p><b>prizm</b></p>
